The *truth* will transform your life! (Romans 12:2)

# LIFE GROUPS

We were each uniquely created to love and worship God together. (*Genesis 1-2*)

Through the life of Jesus, we come to know and respond to God's great invitation to receive God's love and to love others. (*1 John 4:7-12*)

Because of this, we offer life groups as one pathway at Westview, to grow in loving God and others. When we speak of life groups, we are referring to a small group of people who desire to know God more. This group of 2-16 people meets regularly and intentionally with the desire to grow together with God. It is our hope that every person at Westview is able to be in some form of life group to aid in their growing faith.
